

**Welcome to class 3, 8th graders!** I hope you have successfully completed class 1 and class 2 so we can move forward with class 3!

Before we begin, write down the date:

- Tuesday, March 24<sup>th</sup> 2020
  - It's not summer, it's AUTUMN!
  - It's not so hot anymore, but not cold either.
  - Today we will review all contents and compare two monuments using all the information we have learnt.
1. Go to the power point presentation and check each slide carefully.
  2. Take some notes in your copybook, use different colors to highlight the comparatives and superlatives.
  3. Do not worry if you don't fully understand, we will check it again when we come back to school, but if you think you have a doubt or I can help you out with something, just send me an email.
  4. When you get to the final assignment, write it down in your copybook as the example given, use connectors and word from the vocabulary.
  5. When you finished checking all slides and you are done with the writing, I need you to write down in your copybook the following:

I used to know	Now I know
• • •	• • •

In this way, you will have a clear picture of what you knew of this subject before, and what you have learnt today, write more than one thing.

***Be safe, I will see you soon (I hope!)***

***Love, Miss Poulette***
