

IV Medio – Electivo de inglés

Date: Thursday, March 19th, 2020

Dear students:

We are in a difficult situation, but learning is always important. We, your teachers, will do the best to help you with this. Complete these exercises that we have prepared for you and ask questions via email if you need more help.

This time, you will practice writing. You can type your text.

Stay safe.

Teacher Sergio Naranjo

Objective: to support ideas in an argumentative text

Skills: Writing

1. You have a topic below. Write about 200 words. Remember to keep a basic structure of introduction, body/arguments, and a conclusion. Do not copy someone else's text. Use your own ideas to answer. When you finish writing, answer the questions A and B in the box below.

Topic: *International and national evidence show that happiness is an important aspect of daily life. However, there are few countries in the world which can be considered as "happy". What can governments and society do to make a country happier?*

A. How did you organize your ideas to write the essay? What strategies did you use?

B. Did you use any tool to help your writing (dictionary, translator, etc.)? Why? Why not?
