

Story in the past: WRITING

7th grade

Take a look at the picture and **create a story in past** "What were they doing?" **use Past Continuous (was/were + ing)** to tell the story, here is an example: "The family was camping in the mountain..." You can add as much details as you want. Get creative!

"The family in the mountains"

A large sheet of lined paper with a red margin line on the left side, intended for writing a story.
